

Submission Confirmation for English Presentation Section

Thank you to all the schools for your enthusiastic participation in the 2025 High School Students' Conference on Inquiry and Practice in Relation to the Sustainable Development Goals (SDGs).

We are pleased to share the list of schools that have registered for the English Presentation Section and successfully completed the submission of their presentation materials, including school names and project titles.

Please review the information carefully. If there are any corrections or updates, kindly contact us via email.
